**Strofe:** 1. Ev-ery year I'm sear - ching for a pre-sent, a pre-sent for you.

It should be some-thing per - so - nal and plea-sent, just a part from me.

**Int.:** If I would be a li - i - ttle child, it would be a pain - ting,

but I'm a bit o - ol - der now and things were chan - ging.

**Strofe:** 2. The pro-blem is, that I have not much mo-ney, so that I can buy things for you.

But I think, that's no o re-al pro-blem, be-cause I've some-thing spe - cial for you...

**Ref.:** So hap - py Christ - mas Ma - ma, and a hap - py new year.

Let's have a full-filled life Ma - ma, with-out a - ny fear.

**Int.:** I did' nt write this song for some-one, and not for a - a - ny girl.

It's a spe-cial giv - ing for the best mom of the wo-rld...

for the be - e - est mom of the wo - rld...
